## NOTICE OF APPLICATION AND PRELIMINARY DECISION FOR NONHAZARDOUS WASTE UNDERGROUND INJECTION CONTROL PERMIT RENEWAL

PERMIT NOS. WDW139, WDW343, WDW420, WDW421

**APPLICATION AND PRELIMINARY DECISION.** Nouryon Surface Chemistry LLC (formerly known as Akzo Nobel Surface Chemistry LLC), 15200 Almeda Road, Houston, Texas 77053-4920, a manufacturer of specialty chemicals, has applied to the Texas Commission on Environmental Quality (TCEQ) for permit renewals to authorize continued injection of non-hazardous industrial wastewater via Class I injection wells. The facility is located at 15200 Almeda Road in Fort Bend and Harris Counties, Texas. The TCEQ received this application on July 3, 2018. The following link to an electronic map of the site or facility's general location is provided as a public courtesy and is not part of the application or notice: <https://www.tceq.texas.gov/assets/public/hb610/index.html?lat=29.58&lng=-95.43&zoom=13&type=r>. For exact location, refer to application.

The TCEQ Executive Director has completed the technical review of the application and prepared draft permits. The draft permits, if approved, would establish the conditions under which the facility must operate. The Executive Director has made a preliminary decision that these permits, if issued, meet all statutory and regulatory requirements. The application, Executive Director's preliminary decision, and draft permits are available for viewing and copying at Fort Bend County Library, 2121 Austin Parkway, Sugar Land, Texas 77479.

**You may submit public comments or request a public meeting about this application.** The purpose of a public meeting is to provide the opportunity to submit comments or to ask questions about the application. TCEQ holds a public meeting if the Executive Director determines that there is a significant degree of public interest in the application or if requested by a local legislator. A public meeting is not a contested case hearing.

**OPPORTUNITY FOR A CONTESTED CASE HEARING.** After the deadline for submitting public comments, the Executive Director will consider all timely comments and prepare a response to all relevant and material, or significant public comments. **Unless the application is directly referred for a contested case hearing, the response to comments, and the Executive Director's decision on the application, will be mailed to everyone who submitted public comments and to those persons who are on the mailing list for this application. If comments are received, the mailing will also provide instructions for requesting a contested case hearing or reconsideration of the Executive Director's decision.** A contested case hearing is a legal proceeding similar to a civil trial in a state district court.

**TO REQUEST A CONTESTED CASE HEARING, YOU MUST INCLUDE THE FOLLOWING ITEMS IN YOUR REQUEST:** your name; address, phone; applicant's name and permit number; the location and distance of your property/activities relative to the facility; a specific description of how you would be adversely affected by the facility in a way not common to the general public; a list of all disputed issues of fact that you submit during the comment period and the statement "[I/we] request a contested case hearing." If the request for contested case hearing is filed on behalf of a group or association, the request must designate the group's representative for receiving future correspondence; identify by name and physical address an individual member of the group who would be adversely affected by the facility or activity; provide the information discussed above regarding the affected member's location and distance from the facility or activity; explain how and why the member would be affected; and explain how the interests the group seeks to protect are relevant to the group's purpose.

Following the close of all applicable comment and request periods, the Executive Director will forward the application and any requests for reconsideration or for a contested case hearing to the TCEQ Commissioners for their consideration at a scheduled Commission meeting. The Commission may only grant a request for a contested case hearing on issues the requestor submitted in their timely comments that were not subsequently withdrawn.

**If a hearing is granted, the subject of a hearing will be limited to disputed issues of fact or mixed questions of fact and law that are relevant and material to the Commission's decision on the application submitted during the comment period.**

**EXECUTIVE DIRECTOR ACTION.** The Executive Director may issue final approval of the application unless a timely contested case hearing request or request for reconsideration is filed. If a timely hearing request or request for reconsideration is filed, the Executive Director will not issue final approval of the permits and will forward the application and request to the TCEQ Commissioners for their consideration at a scheduled Commission meeting.

**MAILING LIST.** If you submit public comments, a request for a contested case hearing or a reconsideration of the Executive Director's decision, you will be added to the mailing list for this application to receive future public notices mailed by the Office of the Chief Clerk. In addition, you may request to be placed on: (1) the permanent mailing list for a specific applicant name and permit number; and/or (2) the mailing list for a specific county. To be placed on the permanent and/or the county mailing list, clearly specify which list(s) and send your request to TCEQ Office of the Chief Clerk at the address below.
